

## Multiplication tables

This ITP allows you to set up a multiplication table. You can select a single table, e.g. the seven times table is shown below, or a mixed table from selected number between 2 and 10.

A keypad allows you create a single table from numbers up to 100 or from decimal numbers.

1	X	7	=	7
2	X	7	=	14
3	X	7	=	21
4	X	7	=	28
5	X	7	=	
6	X	7	=	
7	X	7	=	
8	X	7	=	
9	X	7	=	
10	X	7	=
